

PROFESSIONAL SERVICES

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

BASIC SERVICES OF FUNERAL DIRECTOR, STAFF AND OVERHEAD

Also included in this charge are overhead expenses relative to our facility such as insurance, maintenance and utility expenses, secretarial and administrative costs, equipment and inventory expenses.

EMBALMING

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with a viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as a direct cremation or immediate burial.

Losing a loved is an extremely difficult process and during this time of transition, families sometimes become overwhelmed with the urgency and complexity of funeral arrangements. It is our aim to simplify details and avoid confusion, particularly in the hours before a funeral. To avoid any embarrassment to the family, Terry Funeral Home has instituted the following policies.

- A. All contracts must be secured **48 hours** prior to the service by cash, certified bank check, credit card or verified assignable insurance.
- B. All cash contracts are required to pay a 50% deposit at the time of the arrangements.
- C. Personal checks will be accepted at the time of arrangements and no later than 48 hours prior to funeral service.
- D. Insurance policies that are in the contestability period (less than 2 years) will **NOT** be accepted as security for funerals.
- E. The funeral home will not be responsible for any cemetery transactions. Those funds will not be added to our bill, as the cemetery is a separate business. However, Terry Funeral Home will deliver monies on your behalf. All cemetery charges that have to be delivered to the cemetery must be at the funeral home 48 hours prior to the funeral in the form of cash, certified check or money order.
- F. A consultation fee of \$300.00 will be added to contracts in which families downgrade from burial to cremation.
- G. There will be a \$500.00 consultation fee added to transfer if arrangements are made and family uses another funeral home.
- H. The funeral home is unable to change caskets once remains have been casketed.
- I. Our limousines are available for repast for one hour after the meal begins.
- J. Counties outside of Philadelphia have instituted cremation permit fees for each decedent who dies in their county and is to be cremated. You will be advised of the cost of such permit fees, if applicable.

STORAGE FEE — \$75.00 PER DAY

INSURANCE PROCESSING FEE

Families choosing to use insurance policies/assignment to pay for funeral services and merchandise will be assessed a 8.5% insurance processing fee on the total amount of the insurance proceeds being used. Terry Funeral Home, Inc. uses the services of an insurance processing company to quickly process insurance claims and make funds available within the payment schedule established by the funeral home. In order for the insurance processing company to quickly process these claims the 8.5% processing fee will be included on your contract as a cash advance item because it is money that is paid directly to the insurance processing company and not paid to the funeral home. Your funeral director will explain this process in detail before it is included on your contract. If you choose not to pay this fee, Terry Funeral Home has the discretion to not accept your policy to pay for the funeral services, but will file your insurance claim (s) free of charge as a courtesy.
